P. H. S. TEAM OFF TO WALLA WALLA

FOOTBALL BOYS FEEL BUT LITTLE HOPE OF BEATING HEAVY OPPONENTS.

Must Rely Upon Speed in Getting the Plays Away and Upon Forward Passing.

Not at all confident of winning but still with a little hope of beating the Walla Walla football team the Pendleton high school football squad left this morning for Walla Walla. The local squad which only averages 147 pounds to the man is one of the lightest which ever represented the local school in contrast with which the Walla Walla team is one of the largest that ever represented that school. It can be seen from these facts that Pendleton must rely on speed in getting the plays away and in forward passing. The Walla Walla team although large is a real whirlwind. In Sax and McGrew they have two of the best open field runners that ever represented that school in football. The

best that Pendleton followers of the game can expect is a low score and should even be content with a fairly large one for the opponents. The probable lineup will be: Olen Huey, left end; Russell Wilbur, left tackle; Byron Moll, left guard; Clell Brown, center; Clayton Hargett, right guard; Enoch Friedly, right tackle; Harold Casey, right end; Ivan Carr, left half; Hugh Bowman, right half; Sheldon Ulrich, quarter; and Early Snyder, fullback. Theodore Heyden, Wade Gerant, Ralph Harzett, Balfe Ulrich, Henry Judd and Harry Hays will be ready to take the place of any of the regulars at any minute.

biter of the factions in the Chinese quarter and the spokesman for his countrymen at the police station. He is considered wealthy.

ing Monday.

H. A. Street is seeding seventy acres of land on his place.
